## OUR INVITATION

### THE 1950 IOWA ROYAL

We most cordially invite everyone interested in good livestock to attend the Iowa Royal Show and Sale of 1950.

We would like to have all attend the banquet and program at the Kirkwood Hotel on Monday evening, March 13th, and then be with us at the Show the next morning and the Sale in the afternoon of March 14th at the Iowa State Fair Grounds, Des Moines, Iowa.

We believe that we have an outstanding group of individually inspected and selected cattle. These cattle have been selected from leading herds both as to quality and geographical location so that they truly represent the State of Iowa.

Many of these cattle are direct from the show herds that have won in the leading 1949 and 1950 major National Shows. We sincerely believe that this sale will compare favorably with any other sale with respect to the amount of up-to-date championship breeding and individuals offered, and cattle that have show records of their own.

This sale offers the opportunity to obtain the most up-to-date and popular individuals and bloodlines, and also the get and service of the most popular and up-to-date Shorthorns of the day. We are proud of the fact that when the championships were handed out at the leading 1949 and 1950 shows Iowa Shorthorns were represented among the champions in every one of these. We are also proud that many of these cattle come from herds with a record of many years of constructive breeding back of them.

We believe that this is a sale that you cannot afford to miss, and hope that you will plan to attend.

We welcome as our guests breeders of Shorthorn cattle, members of 4-H and F. F. A. clubs, farmers, bankers, ranchers, business and professional men, as well as their ladies and families.

You will enjoy the banquet and the show. You will be able to buy individuals in the sale that will improve the best of herds and make ideal foundation material.

TWIN VALLEY WILLIAM 9th—Here we have the combined bloodlines of Prince William breeding on one side and Helfred Marauder breeding on the other giving us a very beautiful headed straight-lined, wonderful colored, masculine type, sappy calf, the kind of a calf that can take his place in any company. If in need of a modern type Shorthorn with plenty of scale, look this calf over sale day. His sire, Prince William 16th, sired the Grand Champion and top selling bull, and the Reserve Champion and second high selling female at the Central State Show and Sale in November.

MONDAMIN METEOR is one of the very attractive sons of Marellbar Ian. His head and front is just what you would look for in a high class herd bull. His even thickness throughout and straight top and under lines completes the make up of a bull you like. He was shown last show season in ordinary flesh and won first in class at Nebraska State Fair, also third at Iowa State Fair. That combination of Newallyn Ian and Ransom breeding is "tops." Having Cluny Primrose 21st as a granddam also adds a great deal to his worth.

S. F. BARON 63d is one of the first sons of Imp. Scotsdale Baron to be offered for sale. His sire is a half brother to the top bull at Perth in 1948. This grandson of the famous Kirkton Baronet is low-set, short coupled, good headed, rugged and thick and no doubt one of the best herd bull prospects produced in the Swanson herd. A half sister out of the same dam sold in their October sale to Byron Rieser, Walla Walla, Washington for \$750.00. This bull will certainly bear inspection.

Killearn Max 5th breeding is very popular at this time and has been responsible for some of the top cattle of our breed. This calf is young but well grown and will make someone a top bull.

DUCHESS MAID G is a very deep, thick, lowdown heifer with a very good head. If you want a deep body on short legs here it is in one package. She was bred December 2, 1949 to Imp. Cruggleton Albert, a bull for which we paid \$3000.00 in the November 1948 Mathers sale. He is one of the better sons of Cruggleton Braemar often referred to as the best stock bull in Scotland. A good bred heifer proposition.

HELFRED BEAUTY 12th is probably as valuable a female as we have ever sold at auction. Her dam and granddam have proved valuable assets for us. Her dam stood second at the International when she was a summer heifer and this heifer has the type and quality to win but her true value lies in the fact that she is safe in calf to Corrimony Emperor where she will produce a calf that will be a prize winner, and keep on producing them regardless of the bull she is bred to.
